Currajong State School Internet Use Agreement

INTERNET and SCHOOL NETWORK ACCESS AGREEMENT

Student

I understand that the Internet can connect me to much useful information stored on computers around the world and that the School Network is available to provide access to stored information and resources, and storage of my own digital resources and work.

While I have access to the Internet and School Network:

I will only access resources for educational purposes as determined by my teacher.

I will not look for, or communicate to others, anything that is illegal, dangerous, offensive or that belongs to someone else.

If I come across something that is illegal, dangerous or offensive, I will:

- Clear any offensive pictures or information from my screen; and
- Immediately, quietly, inform my teacher

I will not reveal my personal details, including home addresses or phone numbers, or those of others.

I will maintain the security of my username and password at all times, and will only logon under my own username.

I will save my work appropriately, and adhere to all copyright laws.

I understand that if the school determines I have broken these rules, appropriate action will be taken. This may include loss of my Internet access for some time.

Parent or Carer

I understand that the Internet and School Network can be used provide student access to a range of valuable learning experiences.

I also understand that the Internet gives access to information on computers around the world; that the school cannot control what is on those computers and that a very small part of that information can be illegal or offensive.

I accept that, while teachers will always exercise their duty of care, protection against exposure to harmful information must depend on responsible use by students.

I believe __________________________ (Name of Student) understands this responsibility, and I give my permission for him/her to access the Internet under the school rules. I understand that students breaking those rules will be subject to appropriate action by the school. This may include loss of Internet and School Network access for a period of time.
