Our school strategies are showing substantial progress toward our targets

After reviewing our Great Results Guarantee agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:

- Targeted literacy support for Prep using Olly and Polly oral language programs.
- All students that have not reached benchmarks are identified on the differentiation surfboard or have an individual learning plan.
- Head of Pedagogy position implemented to support teachers through coaching.
- Implement Parent workshops for reading which have been regularly attended.
- Links have been made with Local child care centers. Currajong SS has provided workshops for these centers to build towards complimentary literacy programs.
